

The Little Bird Inside

Shahrzad Beheshtian

Little bird
Little bird
Little bird inside

Tell me how do you sound

[Main] - How do you feel inside
[Anger] - When you're burning dry
[Sadness] - When you want to cry
[Fear] - When you fear the sky
[Happiness] - When you're flying high

Let it out
With a beautiful song

Little bird
Little bird
You'll be fine
